The Early Bird Pre-School Strathmore latest news . . .

Fledglings adventures last month:

Over the last month the Fledglings have enjoyed taking part in some fantastic opportunities. These have included: taking part in their sponsored walk to raise money for duck eggs – **A MASSIVE THANK YOU**. Enjoying some tasty pancakes, having fun with World Book Day (including our fab staff outfits and re-enactment of the 3 Little Pigs, wearing green to Preschool for St Patricks Day and wearing our jammies for Red Nose Day.

Alongside these great activities the children have enjoyed spending lots of time in the garden. They have been taking part in digging in the new digging area, looking for bugs and worms. Some of this has involved making a wormery and observing the worms making holes. They have also been planting some flower seeds and beans to observe over the coming weeks as Spring emerges. The new mud kitchen has also been a massive interest for the children too as they make mud cakes, soups and pies.

We recently consulted with parents about extending hours. From the number of returns we decided to provide additional sessions on a Tuesday - Thursday 3.30 – 5.00pm but have only had a few requests to join. If you would like to book your child in for any additional sessions at our owlets please let us know. The cost is £15 and the children will get a warm snack.

The Nest's adventures last month:

This past month the children in the nest have been super excited exploring some of our new resources. They have loved the new ball rolling and spinner toy where they observe the cause and effects when playing with them. They have also enjoyed playing with the hidden dinosaur puzzle and the new wooden cars.

The children in the nest have also really enjoyed painting with different resources such as the cutters or cotton wool in pegs. One favourite area has been the water play with the new jugs, filling and pouring and a top hit has been the mud kitchen in the garden.

Sun Cream Permissions

We will be handing out sun cream permission slips over the next coming weeks. Please ensure you read through these and select if you wish to use our suncream or will be providing your own. Please ensure you apply suncream before your child attends Preschool – we will top this up for the afternoon session if your child is staying all day.

Contactable During Session

Please ensure that whilst your child is at Preschool, you or someone is still contactable in case of an emergency with your child. Please let us know if you have new contact details or any change in emergency contacts.

Thank you!

A big Thank You for all the donations for our Fledglings Sponsored Walk – we raised above the amount needed for the eggs!
