

The Early Bird Pre-School CIC

Caring for Our World

Every day we're helping children grow into little caretakers of the planet

What we do

- Recycle, reuse and upcycle in play
- Grow our own fruit and vegetables
- Cut down on single-use plastics
- Save energy with mindful habits
- Explore nature everyday

Why it matters

- Children learn that small actions make a big difference
- Habit built in childhood last a lifetime
- Together, we're creating a brighter, greener future

How families can join in

- Use reusable tubs for lunches
- Walk, scoot or car share to pre-school
- Share eco-ideas we can celebrate together

Our Eco Lead Practitioners:

Syreta at Letchworth

Dawn at Wheathampstead

Charlotte at Strathmore

Displayed proudly in our entrance- because sustainability is a journey we take together.

Tiny hands. Big futures.
