The Early Bird Pre-School CIC latest news . . .

The Nest

We have made the most of the beautiful sunshine this term and have been enjoying our garden space with lots of water play! We have started to introduce a mini obstacle course in the garden with crates and planks which have been very popular with our children. We have also been introducing more activities to support transitions to the Fledglings room, including our new play kitchen and dolls house.

Our younger nest children have been exploring books, musical instruments and mark making with a range of resources. We have also enjoyed walks to the park and baking. A lovely start to the summer term so far!

****Please remember to put ice packs in lunch boxes, especially now the weather is getting warmer!****

Hayley, Nest Room Leader

Fledglings

We have marked Smile week this week with lots of oral health invitations to play. Thank you for the lovely photos you have sent in, the children have enjoyed sharing these at group time. We have also enjoyed lots of outdoor play this term, with the 'ice cream parlour' being particularly popular. The children have been excited to use the resources provided for this and have had fun using their own imagination. We are hoping to have a visit from the ice cream van at the end of term! The mud kitchen and swing have also provided lots of fun; the swing now has a rope ladder for an extra challenge!

The children have been looking at lifecycles and have enjoyed watching our caterpillars grow into beautiful butterflies which have been released this week. We have shared stories and had frog spawn play (made using chia seeds!)

Last week was PANTS week in Fledglings. This is all about learning how to keep ourselves safe. We learnt the PANTS rule through repetition of the song and story and in small world play with dinosaurs. Have you met Pantosaurus? You can find him at <https://youtu.be/LnroTxz7USI?si=xVM5GrTKGaV-hPLc> (Please check your parental controls before sharing this with your children)

We had a visit from a local bee-keeper for Bee Day. The children tried on the bee-keeper's protective hat and passed around honeycomb to look at. They also enjoyed honey on toast for snack!
